

Dear Alumnus/Alumna,

It gives us utmost pleasure to invite you to the first ever Alumni Meet being organized on 17th July, 2010, Saturday at our school. We are looking forward to an evening that we all will cherish as this would be our first ever meet. We expect alumni of all the batches to participate, though after a long span of time since they left the school and grew individually.

Growing up is a natural phenomena and our school too, has grown up and this you all can see for yourself. We are sure that you .too, would be as curious to know about your school as we are about knowing you. This meet will be a great opportunity to interact with your friends, know about their professions, meet their spouses and children and more importantly form a new association for the years to come.

To apprise you in brief, the event will begin with welcome and registration on 17th July, 2010 around evening time followed by a cultural programme and dinner.

A nominal amount of Rs. 200/- is to be paid per person and Rs. 300/- couple in advance towards dinner and snacks latest by the first week of July to enable us to make arrangements. Money to be collected for registration ,etc. will be decided by the committee formed by you all on that day and will be responsible for fund collection for future meets and programmes.

We heartily welcome you to the Alumni Meet 2010 at Vivekanand Public School, B-Block, Anand Vihar. Please confirm your participation by filling a registration form available at school reception during school timings. Kindly register yourself by 20th May, 2010 to ensure seat and participation. Looking forward to seeing you at the 1st Annual Alumni Meet 2010.
